

# 2025 ICON COLLECTION

## Create your Masterpiece.

Introducing the Icon collection, a celebration of creativity and craftsmanship. This innovative design can feature a collage of unique logos, emblems and geographic highlights, capturing the true character of your golf club or resort. Crafted with PRG's signature attention to detail, this striking collection is available in a variety of product options, including headcovers, tote bags, ball markers and our latest product offering, drinkware. Add the ultimate personal touch to your accessories offering with the Icon collection.

# 2025 KINSALE METALS

## Show your Scenery.

Discover the beauty of the new Kinsale Metals collection, a stunning new design that brings your golf courses most iconic features and signature holes to life. Inspired by the rich heritage of Kinsale, a nod to our Northern Ireland roots, with the help of our custom colorfill and engraving options, this collection celebrates artistry and tradition like no other.

# 2025 CERAMIC MARKERS

## A Collage of Excellence.

Elevate your game with the new Ceramic Markers collection from PRG. A stunning new addition to our ball marker lineup. This design features a collage-style look, crafted to complement the existing Icon collection. These markers showcase unique logos, emblems, and iconic geographic features that celebrate the spirit of your club and resort and the beauty of the course you love.

# 2025 DRINKWARE COLLECTION

## New Product for 2025.

Stay refreshed in style with PRG's new product offering. Adding to our extensive product range, the drinkware category will complement existing print designs and patterns to enhance your current PRG accessory offerings.

# 2025 PRG CUSTOMS

## Next Level PRG Personalization.

At PRG, we believe in creating products as unique as the golfers who use them. That's why we're proud to introduce PRG Custom, our state-of-the-art laser engraving system that takes personalisation to the next level. With PRG Custom, you can now completely customize metals, drinkware and more with precision engraving. Whether it's a logo, a name or a one-of-a-kind design, this new offering allows you to add the ultimate personal touch to our premium products.
