

VARSITY

Vintage Vibes

Inspired by classic varsity letterman jackets, this retro design combines a grey wool front with a durable Elite material back. Bold chenille embroidery, layered over black felt backing, creates an authentic collegiate look and can be customized with 1-4 characters. This vintage-style application is offered across a limited and intentionally selected product range.

CONTINENTAL 2.0

Refreshed & Refined

A new take on the popular Continental collection, this updated design retains the signature diamond-stitch pattern while introducing a single angled accent panel for a cleaner, more contemporary finish. Tonal stitching adds depth and definition, while additional embroidery areas provide flexibility for club logos and custom detailing.

CONTINENTAL STRIPE

Striped

An all-new design built around a bold central stripe, creating a dedicated space for club name text that stands out on any display. A consistent front font ensures a unified look across the collection, while the familiar Continental diamond-stitch pattern adds texture and detail. With distinct embroidery locations and a carefully tailored product range, this design offers a clean, coordinated presentation across the category.

TRACK 2.0

Back on Track

A refreshed take on the original Track design, this updated style introduces a finely embroidered line between the signature Elite stripes for a more intricate and elevated finish. The added stripe can be matched to a highlight color from a club logo, creating a subtle contrast and a distinctive pop of color within each design. Available across an expanded product range.
